Potomac River Gorge

The Potomac Gorge BioBlitz, a joint venture between the National Park Service and the Maryland/DC Chapter of The Nature Conservancy, was held in June 2006 to document undersurveyed taxonomic groups in this area. The results of this intensive 30-hour inventory are detailed in this issue.

Published by the Virginia Natural History Society

The Virginia Natural History Society (VNHS) is a nonprofit organization dedicated to the dissemination of scientific information on all aspects of natural history in the Commonwealth of Virginia, including botany, zoology, ecology, archeology, anthropology, paleontology, geology, geography, and climatology. Membership in VNHS includes a subscription to *Banisteria*. Annual dues are \$20.00 (per calendar year); library subscriptions to *Banisteria* are \$40.00. Subscribers/members outside the United States should add \$3.00 for additional postage. Checks should be made payable to the Virginia Natural History Society. Membership dues and inquiries should be directed to the Secretary-Treasurer (address, page 2); correspondence regarding *Banisteria* to the Editor. *Banisteria* is a peer-reviewed journal. The Editor will consider manuscripts on any aspect of natural history from neighboring states if the information concerns a species native to Virginia or the topic is directly related to regional natural history (as defined above). For additional information regarding the VNHS, including other membership categories, field events, symposia, representative papers from past issues of *Banisteria*, and instructions for prospective authors, consult our website at: **va-nhs.org**
